## COMMITTEES AND WORKING GROUPS

### COMMITTEE OF DIGITAL AND KNOWLEDGE-BASED CITIES

Renewal of the Committee for the period 2011-2013

24<sup>th</sup> September 2010

### CIRCULAR 14

Dear members of the Committee,

According to the terms of reference for the Functioning of UCGL's Committees and Working Groups, the Committees must renew their term of office every 3 years. Once this time has passed, since the renewal of our Committee approved during the II World Congress of UCLG held in 2007 in Jeju, South Korea, it is time to **renew again the term of office of the Committee for the next period 2011-2013**.

From the Presidency of the committee we believe that the balance of the work developed until today has been positive, and that the objective and work of the Committee has still not been concluded. For this reason, we are currently working in the documentation required by UCLG's World Secretariat to present our interest in the renewal. This documentation will be evaluated and analyzed by a Advice Committee designated by UCLG, previous to the celebration of UCLG's III World Congress to be held from the 11<sup>th</sup> to the 16<sup>th</sup> November in Mexico City.

As part of this process, we would like to request your **support to the renewal of the term of office of the Committee for the next period 2011-2013**, in order that we can continue working together in the objectives of the Committee.

For this, we would appreciate if you Could send us the enclosed formulary as support to the renewal and your commitment to collaborate in the work to be developed by the Committee in the next period to the fax: fax: **+34 94 420 53 99** ó or to the E-mail I: [bilbaonext.promocion@ayto.bilbao.net](mailto:bilbaonext.promocion@ayto.bilbao.net) before **September 29<sup>th</sup>**

Do not hesitate to contact the Secretariat of the Committee with any question or suggestion.

Best regards,

*The World Secretariat*
