Dear colleagues, members and partners of the Committees on:

As you might be already informed, from the 5<sup>th</sup> to the 6<sup>th</sup> December, the annual meeting of the UCLG World Council will be held in the city of Dakar (Senegal), in the framework of the 6<sup>th</sup> Africities Summit. From the Presidency of the three Committees, we believe that the experience carried out last year to organize a joint meeting between the members of the three Committees was very interesting, and therefore we have decided to continue in this line and organize again a joint meeting this year, the main objective being to continue the collaboration between the three Committees.

**The meeting will be held on December 5<sup>th</sup> from 12:00 to 13:15 in the Hotel  
Almadies**

Please, use the following links to access the agenda of the meeting:

The meeting is open to all the participants; however we would appreciate if you could please confirm your participation by sending an email to the Secretariat of your Committee:
